

catholic studies minor

Requirements for the Minor: 6 courses taken over four (4) years

- **3 Foundational Courses:** one in philosophy, one in theology—both are (and fulfill) CORE courses. The third foundational course, CATH 296 (*All Things Ignatian...*), should be taken (ideally) within the first four semesters of a student's program. CATH 296 fulfills an LUC Engaged Learning requirement and a (300 level) Theology elective.
- **3 Elective Courses:** students can specialize in specific disciplines from an array of cross-listed courses, such as Theology, Philosophy, History, English, Classical Studies, Fine Arts, Political Science. These courses may overlap with CORE requirements.
- **NOTE:** no more than two courses from any single academic discipline may count towards the minor; at least two courses must be taken at the 300-level.
- **Capstone:** Catholic Studies minors attend 3 capstone seminars in the second semester of their senior year to explore the relationship of the Catholic Intellectual tradition and their major field of study. They write a synthesizing paper and present or perform an aspect of it at the annual Catholic Studies Banquet in May.

Courses for Spring, 2019

NOTE: The following courses are approved for the Catholic Studies Minor. You will note that a few courses, for various reasons, do not appear in Locus. Your primary advisor knows this and it's left to me (as CS Director) to sign-off in these cases. So, never fear. The courses in italics will be "temporary tags"—and you must see your instructor the first day of class and discuss how your work will integrate the Catholic dimensions of the course material into your papers and projects. It's key for the minor to include these courses, but again, sometimes they don't appear in grad audits. This is why we publish this course sheet—and it's why we have directors. The best thing always is to keep your tracking sheet current. Enjoy and good luck!
