

PURPOSE OF THE STUDENT WORKER EMPLOYMENT GUIDE

This booklet has been designed to provide Student Workers with important information regarding employment procedures, pay information, responsibilities to the University, and the University's services.

Please read the contents carefully. This is one of the many channels of communication we maintain to achieve an enjoyable and productive work environment. If you need further explanation of the items covered, contact your supervisor, the Advisement Center in the Office of Student Financial Assistance, or Human Resources.

The contents herein are presented for information and guideline purposes only. Loyola reserves the right to change, suspend, or cancel, with or without notice, all or any part of the policies, procedures, and benefits discussed in this book.

The guidelines are applicable only to those employees designated as Student Workers.

This booklet is intended to give the Student Worker information on policies, procedures and privileges and does not serve as a contract between the employee and Loyola. Employment with, and compensation from the University is not guaranteed and may be ended by the employee or Loyola at any time.

EQUAL OPPORTUNITY EMPLOYER

Loyola University Chicago, as an Equal Opportunity/Affirmative Action employer, attempts to abide by all applicable provisions of Federal, State and Local Law. Loyola does not discriminate in its employment policies and practices on the basis of race, color, religion (except where religion is a Bona Fide Occupational Qualification for the job), national origin or ancestry, sex, age, marital status, veteran's status, physical or mental handicap/disability, or any other classification protected by applicable law.

The University will not tolerate racial, sexual or other forms of harassment of students, faculty, employees, patients, or other individuals present on its property and has established procedures to promptly address any complaints.

If an employee believes he or she may have been discriminated against in employment or subject to racial or any other types of harassment, please contact, in confidence, your supervisor, the Advisement Center in the Financial Aid Office, or Human Resources.

PAY & PAY RELATED INFORMATION

EMPLOYMENT CLASSIFICATION:

All employees at Loyola are classified in one or more of the following ways:

- **FULL-TIME:** Regular work schedule is 37.5 or 40 hours per work-week.
- **PART-TIME:** Regular work schedule is less than full-time.
- **EXEMPT/NON-EXEMPT:** All jobs are classified as either exempt or non-exempt as defined by the Federal Fair Labor Standards Act. Employees classified as non-exempt are paid by the hour and receive overtime pay for hours worked over 40 in any one work-week. Exempt employees are considered salaried and, therefore, not eligible for overtime.
- **STUDENT WORKER CLASSIFICATION:** Student Worker positions are classified as non-exempt, temporary, part-time jobs.
- **FEDERAL WORK-STUDY:** This federal financial aid program is designed to provide temporary part-time employment for students. The federal government pays a portion of the student's wages and the University funds the remainder. Eligibility for Federal Work-Study is determined by the Office of Student Financial Assistance. Because this is a form of financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) before eligibility can be determined. The FAFSA is available online at: <http://www.fafsa.ed.gov/>.
- **NON FEDERAL WORK-STUDY:** Student Worker positions fully funded by the University are considered non work-study positions. Individuals do not have to document financial need in order to qualify for these temporary part-time jobs. Student Worker positions are open to Loyola students or individuals who plan to be Loyola students within the next six months.

PAY PERIODS

Each pay period covers two (2) calendar weeks from 12:01 a.m. Sunday morning to Midnight Saturday, 14 days later. An employee is paid on the Friday following the close of the pay period for all hours worked during that period. To access the Loyola holiday and pay calendar please go to: www.luc.edu/hr/holiday_calendar.shtml.

PAY DATES

Loyola has an established pay schedule (see the Pay Calendar at: www.luc.edu/hr/holiday_calendar.shtml). Paydays are designated as the Friday following the end of a pay period. If a payday falls on a holiday, paychecks will be distributed on the last regular workday before the holiday.

DIRECT DEPOSIT

Loyola University Chicago uses a mandatory Direct Deposit payroll system. It is the 'no hassle' way to deal with your pay. You must have a checking or savings account with a financial institution to comply with this policy.

You will need to complete the Authorization Form and attach a voided check to validate the ABA or Transit number of your bank. The form and voided check must be sent to: **Human Resources, 820 LT, WTC**. Please use inter-campus mail or the special Hand Delivery service to the HR Office found in the mailroom. It generally takes two pay periods before the procedure is in place. Until that time, a manual paycheck will be processed and made available for you either through your department or through the Student Business Office after 12:00 (noon) on payday Friday. Valid ID will be required to pick up your paycheck.

Once the Direct Deposit is established, Loyola will electronically transfer your pay to the financial institution of your choice when paychecks are processed.

CHANGE TO DIRECT DEPOSIT

Should you change your bank you will need to STOP your current direct deposit and complete a new DIRECT DEPOSIT FORM found at: http://www.luc.edu/hr/online_forms.shtml.

RATES OF PAY

Each Student Worker job is budgeted under the hiring department's budget. All Student Worker salaries must meet or exceed the federal minimum wage requirement.

TIME CARDS

New hires or students transferring positions or students re-hired either after Auto-term or after a break in employment will need to complete a paper timecard prior to the Kronos Time Card's activation. Paper timecards are available either through the department where you work or through Human Resources. It is important that the paper timecard contains all necessary information across the top of the timecard including the "Period End" date, the department number, your name clearly printed with last name first, and your social security number (see PAPER TIMECARD EXAMPLE below).

All "IN" and "OUT" times will need to be added. Calculate total hours for each day and for the pay period. If you work more than 6 consecutive hours in any given work day, one hour lunch will be deducted from the total hours for that day unless there is specific instruction to do this differently.

The card needs to be authorized by your supervisor before it is submitted. The completed card should be taken to the campus mailroom and placed in the **HAND DELIVER** inter-office mail bag directed to **PAYROLL, WTC**, no later than 10:00 a.m. on the Monday following the end of the pay period.

Activation of Loyola's Kronos Time Card system should take place within two pay periods of new hire. If you have changed positions please be careful to insure you are not entering hours worked onto an Kronos for your OLD position. Complete a paper timecard until the NEW information is available through Kronos.

Work time submitted through Kronos should be an accurate reflection of hours worked. The Kronos allows up to three different work "shifts" or "IN" and "OUT" times to be recorded within any workday. The Kronos will calculate your total hours worked from times entered in each day. Any fraction of an hour will be rounded to the nearest quarter hour according to Fair Labor Standards Act/Wage and Hour requirements.

Time worked should be recorded daily and reviewed and authorized on the last day of the pay period. The payroll department will not process time recorded but not approved by the student and by the supervisor and you will not be paid.

See your supervisor about acquiring a Kronos Handbook and for training on accessing the Kronos system.

TIMECARDS FOR MULTIPLE POSITIONS

Kronos does not have two separate timecards for each position. Rather the student must do a transfer for hours worked outside of the home or primary position but it is all done on one card.

PAPER TIMECARD EXAMPLE

- A. *Department number*: This 4-digit number should be obtained from the department you will be working with.
- B. *Campus location (C/L)*: Lake Shore Campus = 1; Water Tower Campus = 2
- C. *Position number*: Please leave this space blank, unless known.
- D. *Name*: Please print, last name first
- E. *Position status (PS)*: Fill in "N" for non-exempt.
- F. *Full-time equivalent*: This figure is based on the number of hours per week allocated to your position. If your department does not have this information, please leave this space blank.
- G. *Social Security Number*: Please fill in your social security number.
- H. *Period ending*: This date indicates the last day of the current pay period. Please see your department, or a pay calendar (www.luc.edu/hr/holiday_calendar.shtml) for this information.

ALLOWABLE HOURS WORKED

Student Workers are generally full-time University students. Working and going to school adds extra income and can be a great learning experience giving you an advantage in the job market after graduation.

Balance is important. Full-time Loyola students are limited, by University policy, to work not more than 19.5 total hours per week while school is in session. This total-hour figure includes all jobs worked at the University. During school break periods or periods of non-enrollment, the Student Worker may increase his/her work hours as agreed upon by the department but must not exceed 37.5 hours in a week.

All staff working over 6 hours at a stretch should take a meal break before the start of his or her sixth hour of work. The meal break should be a minimum of 30 minutes but Loyola prefers staff to take a one hour unpaid meal break. For accurate Time Collection, both the Kronos and paper time cards allow the Student Worker to record when he or she leaves for a meal break and then the return time.

Student positions are not intended to be full-time work for any employee. Listings for regular status full and part-time positions open on all higher education campuses may be found at <https://www.careers.luc.edu/>. Anyone interested in full-time or part-time work may review these listings and apply accordingly.

OVERTIME

The University recognizes the difficulty in balancing full-time school and work. The first priority of Student Workers is education. The University places a limit of a total of 19.5 hours in one week for student positions while school is in session.

Depending on the nature and amount of work and the staffing needs, Student Workers may occasionally be asked to work more than their scheduled hours. Additional hours may be worked only with the prior approval of the supervisor or department head. In these cases, Student Workers will be paid at their regular rate for the first 40 hours worked in any one workweek. Any time worked over 40 hours in any one week will be paid at time-and-one-half.

PAY DIFFICULTIES

Misplaced checks: If an employee loses a paycheck, or if it is stolen, the Payroll Department should be immediately notified to authorize a stop payment. A new check will be issued as soon as possible. Direct deposit of paychecks will avoid such problems.

Over/Under pay: If there is a discrepancy in the amount of pay, the employee will need to notify his /her supervisor. It is helpful to print a copy of the Kronos Direct Deposit Statement for the period in question when inquiry is made. The Direct Deposit Statement lists all hours paid within the pay period.

Missing pay: If an employee was not issued a check on the appropriate payday, the supervisor should be notified immediately. The payroll office will help resolve the problem.

TIME OFF

Student Workers are paid for time worked. Any time away from the job for whatever reason is unpaid time. To assist with the workflow in the department, and as a professional courtesy, it is important for employees to communicate with their supervisor well in advance when time off is planned.

In case of absence due to an emergency or illness, the department should be notified as soon as is possible that the employee will be absent.

FEDERAL AND STATE INCOME TAX AND FICA

Earnings of all Student Workers are taxable by both the State and Federal governments as ordinary income. When first employed, Student Workers must complete both a federal W-4 and an Illinois W-4. Changes to your federal and/or state W-4 may be made at any time.

Students who are residents of Iowa, Michigan, Kentucky or Wisconsin and elect to claim exemption for withholding of Illinois Income Tax under the reciprocal withholding agreements between these states may complete an Employee's Statement of Nonresidence in Illinois.

Federal and State of Illinois W-4 Forms and Nonresident Forms are found at: <https://www.luc.edu/hr/forms> under Government Forms. Once completed and signed they should be sent to the Human Resources Administrative Office, 820 LT, WTC.

Tax laws governing students are impacted by many factors. Please contact the United States Internal Revenue Service and/or individual state Internal Revenue Offices for accurate information on individual situations.

Under Federal guidelines, full-time students working at Loyola may be exempt from FICA (Social Security Taxes) while enrolled in classes. Loyola University Chicago will, wherever possible, automatically exempt students who are eligible unless they request otherwise. Changes in student status must be reported to the Human Resources Office as soon as possible. Failure to do so may result in penalties.

Any changes in tax status, number of exemptions, student status, etc., will need to be communicated to the campus Human Resources Office.

For your convenience, below are the numbers for Illinois State and Federal tax assistance.

Internal Revenue Service Taxpayer Assistance number: (312) 435-1040.

Illinois Department of Revenue Taxpayer Assistance number: (800) 732-8866.

W2 FORMS

W2 forms are mailed to employee at the address listed in the Human Resources office. To ensure receipt of this important document, make sure the address on file is correct. Changes to your address in Student Records will not flow over to Human Resources records and vice-versa.

Human Resource offers an online Change of Address through Employee Self-Service: <https://lawson.luc.edu>.

INTERNATIONAL EMPLOYEE TAX ISSUES

The United States has established tax treaties with varying countries around the world. These treaties are often complicated. Loyola's Human Resources Office works with International Employees to ensure that the tax obligation is met. If you are an International Student Worker, please make an appointment with the Human Resources Office to discuss this important issue. (312) 915-6175.

NOTE: FEDERAL WORK-STUDY ELIGIBILITY IS EVALUATED SEPARATELY FOR EACH EMPLOYMENT PERIOD.

FEDERAL WORK-STUDY EMPLOYEES

To ensure your continued eligibility and enrollment in the Federal Work Study Program, the following steps need to be taken each academic year:

- A. Notify the Office of Student Financial Assistance (OSFA) of any enrollment changes, specifically with regard to an increase or decrease in credit hours.
- B. Notify OSFA of any changes in the family financial circumstances.
- C. Maintain satisfactory academic progress. Refer to the "Minimum Academic Progress Requirement Guide" which is available in the Office for Student Financial Assistance.

- E. Notify the supervisor promptly in the event of a revision in the Federal Work-Study Award that could affect the work schedule.
- F. Re-apply for financial aid each year according to the priority dates. Students who demonstrate financial need are awarded Federal Work-Study funds on a first-come, first-serve basis.
- G. Submit all requested documents to the Financial Aid Office in timely manner.

ACADEMIC YEAR: Students receiving any form of Financial Assistance must reapply each academic year. To receive maximum consideration for a Federal Work-Study award, students should file the Free Application for Federal Student Aid (FAFSA) before February 15th for the upcoming year.

SUMMER: Students who wish to be employed through the Federal Work-Study program during the summer must complete the Summer Financial Aid application (available after March 1 each year at www.luc.edu/finaid) to determine eligibility for the three-month summer period.
