SLIDE COLLECTION OF ITALY AND SELECTED SLIDES OF WESTERN EUROPE  
Prepared by: Laszlo Sulyok

Acc. No. 89-15  
1 Metal Box

Computer Name: ITALYWEU.SCH  
Location: 209/

The following slides of Italy and Western Europe are from the collection of Raymond V. Schoder, S.J. Originally the slide collections had been kept in small individual cardboard boxes and later rearranged into a large metal box in the university archives. The new arrangement is based on the authentic topical and numerical order of Fr. Schoder. For further material on the topic, see the Slide Collection Directory (1SCHFIND.AID).

CAUTION: This collection may include commercially produced slides which may only be reproduced with the owner's permission.

RAYMOND V. SCHODER, S.J. (1916-1987)  
Classical Studies Department

THERA  
(Minoan and Classical Period)  
75 slides

Prepared by Laszlo Sulyok

Acc. No. 89-15  
1 Metal Box

Computer Name:THRAMINC.SCH  
Location:Room 209/

The following slides of Thera during the Minoan and the Classical period are from the collection of Fr. Raymond V. Schoder, S.J. They are arranged numerically in the order in which they were received at the archives. The list below provides a brief description of the slides and is copied verbatim from Schoder's own notes on the material. The box also contains Fr. Schoder's selected and typed notes on the material.

CAUTION: This collection may include commercially produced slides which may only be reproduced with the owner's permission.
