*PUBH 300/301 may be taken either in the second or third year (and a general education or CORE course alternatively).

**Public Health electives will represent a cross-section of academic options from which students may choose.

February 2020 Program Requirements

This plan is intended as a sample to help students envision one path for completion of this degree. Many courses may be moved to alternate semesters without impacting progress toward degree completion. Course sequencing may be impacted by math placement.
