ACADEMIC EXPERIENCE

Loyola University Chicago School of Law, Chicago, IL

Director, Rodin Center for Social Justice, September 2023 - Present

Clinical Professor of Law, Director, Health Justice Project, August 2017 - Present

Clinical Professor of Family Medicine, Loyola Stritch School of Medicine, April 2021 - Present

Faculty Lead, CERCL(Community Equity Response Collaborative Loyola), April 2020- Present

- Direct the Rodin Center for Social Justice, overseeing the Rodin Center student fellowship program, overseeing social justice programming, supporting faculty, programs and student work in social justice, and helping to strengthen and further develop programs to advance fairness, equity, and justice internally and in marginalized communities throughout Chicago.
- Direct the Health Justice Project, a medical-legal partnership clinic focused on interdisciplinary advocacy, upstream practice, and holistic legal care.
 - Partner with a large federally qualified health system and major urban legal aid program to provide legal services to address the health harming legal needs of patients in poverty.
 - Launched new medical-legal partnership in February 2021 in collaboration with Loyola Medicine and Loyola University Chicago Stritch School of Medicine.
- Serve as a faculty lead in the development and administration of the COVID Equity Response Collaborative Loyola (CERCL), an interprofessional initiative to provide testing, vaccines, education, and social and legal supports to residents in the near western cook county suburbs disproportionately impacted by the COVID-19 pandemic, now the Community Equity Response Collaborative Loyola focused on academic community partnerships to promote health equity.
- Design and teach clinical seminar course addressing client centered interviewing and counseling, social and structural determinants of health, trauma informed advocacy, cross cultural practice, race and health equity conscious advocacy, upstream advocacy, and general practice skills.
- Supervise second- and third-year law students in the representation of clients in a variety of civil matters related to access to healthy housing, access to health care, and disability advocacy with the purpose of improving the health and well-being of vulnerable populations.
- Supervise social work interns and medical students working in collaboration with law students to address social and legal needs of vulnerable patients.
- Develop interprofessional curricular offerings with the school of public health, medicine, nursing, and social work, including Health Justice Lab: End of Life, a course on end-of-

life care and planning with social work and legal didactics, interprofessional simulations, and culminating in an experiential opportunity for drafting health care power of attorneys for seniors and Health Justice Lab: Race & Health Equity, a course on racism and health equity in collaboration with faculty from the school of public health.

- Teach prospective elective class for 1Ls and upper-level students on Access to HealthCare exploring the impact of racism on the development of the United States health care system and public health insurance systems and culminating in immersive spring break trip to Mississippi.

University of Michigan Law School, Ann Arbor, MI

Clinical Teaching Fellow, Pediatric Advocacy Clinic, July 2014 – July 2017

- Co-taught weekly four-hour seminar class focused on substantive law and lawyering skills including client interviewing and counseling, client-centered lawyering, case planning, trial skills, negotiations, mindfulness and self-care, child health, EPSDT, interdisciplinary and upstream practices, and special education.
- Supervised second- and third-year law students representing clients in special education, public benefits, EPSDT & health care access, family law, and housing cases, as well as health and education policy matters. Supervision focused on developing independence and sound legal reasoning as well as fostering a holistic and upstream approach to client representation encompassing direct representation and systemic advocacy strategies.
- Engaged in systemic advocacy related to the Michigan Department of Education's state complaint procedures, resulting in changes to practices and policies enhancing outcomes for parents and students, and related to access to care for Medicaid-eligible children, obtaining changes to the state Medicaid plan and regulations regarding the definition of medical necessity for children under EPSDT and changed policies and guidelines related to access to related therapies, as well as training for state hearing officers on EPSDT.
- Provided training to health care providers and lawyers on topics including upstream advocacy, poverty and health, EPSDT and access to health care, and special education.

Tulane University Law School, New Orleans, LA

Kramer Fellow, The Public Law Center, November 2006 – June 2007

- Provided technical assistance to community groups and nonprofit organizations promoting housing and economic redevelopment in New Orleans post-Katrina through the use of Community Land Trusts and Community Benefit Agreements.
- Conducted research on legislative and policy issues for nonprofit organizations and city agencies including rental rate restrictions, expropriation laws, lobbying restrictions for nonprofits, city code enforcement procedures, and landlord-tenant regulations.
- Assisted in website development for The Public Law Center.

PROFESSIONAL EXPERIENCE

Toledo Medical Legal Partnership for Children, Toledo, OH

Advocates for Basic Legal Equality, Inc. and Legal Aid of Western Ohio, Inc.

Legal Director, Staff Attorney, April 2008 – June 2014

- Collaborated with medical providers to improve the health and well-being of children in poverty and their families through the provision of professional consultations and on-site legal services for patients.
- Developed and implemented a comprehensive training curriculum for medical providers covering poverty law issues in the framework of social determinants of health, including such topics as access to health care through Medicaid and EPSDT coverage, public benefits, special education, housing, domestic violence, and advocacy skills as a means to improve child health and well-being.
- Provided direct representation to children and their families in civil legal matters including access to education, access to health care, housing, public benefits, family and juvenile law, and consumer matters.
- Engaged in systemic advocacy on behalf of children with medically complex health related needs seeking durable medical equipment and prescription coverage, obtaining state policy changes related to pediatric hospital bed billing rates for Medicaid-eligible children and changes in Medicaid Managed Care practice related to access to the drug Synagis, and on behalf of children with disabilities and children of color facing inadequate identification and evaluation procedures under special education law and disproportionate and discriminatory disciplinary removals.
- Filed systemic complaints with the Ohio Department of Education, the Office of Civil Rights of the U.S. Department of Education, and the United States Department of Justice and worked collaboratively with these oversight agencies to advocate for district policy and practice changes related to child find and disciplinary removals.
- Provided testimony before the Ohio Legislature on school discipline.
- Developed website, educational materials, and advocacy resources for medical providers and families: <http://mlpc.ablelaw.org/toledo/>.

Juvenile Justice Project of Louisiana, New Orleans, LA

Policy Director, Staff Attorney, Consultant, October 2003 – March 2006

- Completed two published projects intended to catalyze reform of the juvenile indigent defense system including drafting a memorandum on best practices for juvenile indigent defender programs and writing a Louisiana juvenile defender trial practice manual.
- Represented young people in pre-adjudication and post-disposition proceedings in juvenile and appellate courts throughout the State of Louisiana.
- Participated in extensive legislative and policy work on juvenile justice and indigent defense reform efforts including drafting legislation and resolutions; preparing and coordinating testimony before the legislature; and participating in legislative task forces on juvenile indigent defense, juvenile competency, and juvenile prison conditions.
- Monitored Louisiana juvenile prisons for compliance with a settlement agreement reached in a federal court and worked in collaboration with the State Department of Youth Services and the United States Department of Justice to ensure implementation of juvenile prison reforms resulting in improved conditions, services, educational programming and a decrease in the number of incarcerated youth by more than half.
- Supervised project staff and managed summer law student intern and volunteer program.

**Legal Aid Chicago (Formerly Legal Assistance Foundation of Metropolitan Chicago), IL
West-Side Office and Central Intake Office**

Staff Attorney, September 2000 – September 2003

- Represented indigent clients in civil matters and administrative proceedings, state circuit court, appellate court, and federal district court in housing, family law, employment law, consumer, and public benefits matters.
- Assisted in revising a statewide utility manual for legal services providers and preparing comments on agency rules and policies regarding public housing reform in Chicago.
